

FOOD COLLECTION DRIVE

for the **CHRISTIAN SERVICE CENTER** in Chicago

Deadline November 1

The Christian Service Center started in 1968. Elroy and Joan Leach have faithfully served since it began. This organization belongs to the Christian Church and Church of Christ movement. Their mission is to support the community and win souls within the Austin neighborhood in Chicago.

We can support them by collecting food for the families in the community. These donations can help ease the financial burden that many of these families endure, especially during this pandemic. In addition to dinner, families now have to provide breakfast and lunch to their children; those meals that would normally be provided when students are in school.

Please consider giving generously to our Food Collection Drive, knowing that you can make a difference in the life of a family and help them understand that God loves them and that others care.
